CELEBRATE SUCCESS!

LJP Construction services can provide a customized quality assurance program that incorporates digital data capture and job site analysis along with automated reporting.

CaptureQA<sup>®</sup>, the proprietary quality assurance app, is designed to identify trending problems before they become systemic with same-day reporting.

**Protecting builders across the nation ... for over 25 years**

*LJP Construction Services is part of the La Jolla Pacific family of companies.*

A vertical traffic light graphic on the left side of the page. It has three circular lights: the top one is red with a white 'X', the middle one is yellow with three white dots, and the bottom one is green with a white checkmark.
